

## Faucet Care And Cleaning

Attention should be given to the care, cleaning, and maintenance of this product. With proper care and cleaning, this faucet should last many years. To clean, simply wipe the faucet gently with a damp cloth and blot it dry with a soft towel.

## Warning

Do not use cleaners containing abrasives, ammonia, bleach, acids, waxes, alcohol, solvents, or other strong chemical products to clean any part of the product surface. Cleaning with abrasive cleaning tools such as a brush or scouring pad is also not recommended for this KES product.

## Lifetime Limited Warranty

### Faucets

KES warrants its faucets purchased from authorized sellers to be leak and drip free as long as the original consumer owns their home in which the product was first installed (the "Warranty Period" for homeowners). For all other purchasers (including purchasers for industrial, commercial and business use) are warranted for a period of 3 years from the original date of purchase (the "Warranty Period" for non-homeowners).

### Other Products

Products other than faucets are backed by a 1-Year Limited Manufacturer's Warranty (the "Warranty Period" for non-faucet products).

### What We Will Do

If a faucet should ever develop a leak or drip during the Warranty Period, KES will FREE OF CHARGE provide the parts necessary to put the faucet back in good working condition.

For non-faucet products, KES will replace FREE OF CHARGE any part that proves defective in material and manufacturing workmanship during the Warranty Period.

If repair or replacement is not practical, KES may elect to refund the purchase price in exchange for the return of the product.

### What Is Not Covered

KES shall not be liable for any damage to the product resulting from reasonable wear and tear, installation and maintenance errors, outdoor use, freezing water, abuse, misuse, and use of cleaners containing abrasive cleansers, ammonia, bleach, acids, waxes, alcohol or other organic solvents.

KES is not responsible for removal, installation, labor charges, or other incidental or consequential costs. In no event shall the liability of KES exceed the purchase price of the product.

KES AND/OR SELLER ARE PROVIDING THESE WARRANTIES IN LIEU OF ALL OTHER WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING BUT NOT LIMITED TO THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. KES AND/OR SELLER DISCLAIM ALL LIABILITY FOR SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES.

Some jurisdictions do not allow the exclusion or limitation of incidental or consequential damages, so these limitations and exclusions may not apply to you. This warranty gives you specific legal rights and you may also have other rights which vary from jurisdiction to jurisdiction.

This warranty applies only to KES products sold in North America and Europe.

## FAUCET INSTALLATION

Before installation, you should ideally flush your plumbing pipes to clear any debris or sediment by letting the water run for a few minutes. Next, turn off your sink's water supplies. If the water supply lines are too long, they should be folded like Figure 5. A kinked line may cause water damage.
